FOUNDATIONS OF SOMATIC PRACTICE—PART 1

Let's consider what future advanced training in massage may look like. What about a master's degree in somatic education?

BY THOMAS MYERS

66

SUPPORTING EDUCATORS

Lippincott Williams & Wilkins and ABMP have published an unprecedented textbook for massage therapy instructors.

BY KARRIE OSBORN

70

TOUCH FOR HOMELESS CLIENTS

Walk the streets of San Francisco's Tenderloin district and meet the clients of Mary Ann Finch and her massage-based nonprofit.

BY REBECCA JONES

80

QUANTUM-TOUCH

Life-force energy and loving compassion between practitioner and client fortify this work and foster clients' ability to heal.

BY BARBARA NEWELL

88

SOURCEPOINT THERAPY'S BLUEPRINT

Conceiving of the body as energy forms the roots of this energetic healing system. And using the body's blueprint helps center the process.

BY DONNA THOMSON

38

BE EXCELLENT

Consider the relationship between your work, client expectations, and corresponding quality in education. You have a stake in keeping professional standards high. In short, your excellence is crucial to the equation.
